THE AGELESS WAY

Based on her #1 Amazon Best Seller, *The Ageless Way*, endorsed by Harry R. Moody, Ph.D., Suzanne Braun Levine, and Paul Irving, Karen masterfully jolts our assumptions, opening the way to envisioning new alternative futures in the Longevity Economy. Weaving together powerful storytelling with spot-on insights and foresight grounded in hard core research, she stirs us up with an uncanny vision of who we really are when we are no longer young, while also gifting us with a refreshing new perspective forecasting women will be redefining growing older, catalyzing a transformation of the business of aging, she guides us across the uncharted territory of the Longevity Economy.

GRAY IS THE NEW GREEN

In this program, Karen examines the hottest topic on the minds of leading professionals and newbies alike. She kick-starts a unique conversation on how to turn what keeps professionals like you awake at night into assets for the Longevity Economy. Insights gained will become the foundation for developing and implementing effective, innovative—yes, even visionary, new approaches to Rock Your Revenues. Based on her best seller, *Gray is the New Green*.

THE GREATNESS CHALLENGE

In her no-holds-barred style, Karen will shift paradigms and turn what you think you know about the future and your role in it inside out and upside down. Karen argues that as we are facing accelerating global and national crisis, we are also on the verge of an (R)evolutionary shift towards greatness. Historically in moments of political, personal and social unrest, conditions are set for the emergence of greatness in leadership. This greatness is now appearing in all sectors and strata of our society. Based on her #1 best selling book, *The Greatness Challenge*.
